Camp Speakers

Bill and Gaydene Olsen are the Pastors of Life Church in Fort Saskatchewan, just a few minutes out of the city of Edmonton. They were long time residents of Smithers, BC, until moving to Armstrong, BC where they were on the pastoral staff at Glad Tidings Pentecostal Church for 10 years, during which time they experienced an incredible season of God's outpouring. Their passion is to see every person live a full christian life, understand that God has dreamed big dreams for each of us, and everyone can experience His manifest presence.

Bill has been a Worship leader for over 30 years, a recording artist for almost 20 years, and loves to teach on worship, stirring up passion in the heart of the listener, and creating an atmosphere for Jesus to come and minister and spend time with His people. Together, Bill and Gaydene have had the honour of working with many anointed speakers and musicians in Canada, and other countries... and through these experiences have learned much about the heart of God and the grace He extends to us.

Activities will be available for children during the services.
